MANAGER ACTION ROADMAP

Priorities are ordered by operating consequence. Each item names the decision, owner, and deadline required to move the dealership forward.

01	DELIVERY ATTENTION Income verification is missing from the deal jacket. Confirm the delivery hold, lender requirement, and accountable owner before the deal moves. OWNER: Marcus Hale DUE: Today - 4:30 PM DECISION: Keep hold in place OPEN	P4 PA-44921
02	LEADERSHIP DECISION The final contract structure differs from the approved worksheet. Approve a documented correction path or require the missing supporting evidence. OWNER: Marcus Hale DUE: Today - 10:00 AM DECISION: Escalated review DISCUSSED NOTE: Controller will verify the corrected structure before delivery.	V1 VC-11987
03	OWNERSHIP GAP A signed disclosure is absent and no individual owner is assigned. Assign ownership before the deal changes departments and the operating context thins out. OWNER: Dana Ruiz DUE: Today - 5:00 PM DECISION: Assign owner DISCUSSED NOTE: Dana owns retrieval and verification.	S3 SM-30192
04	GUIDED DEAL REVIEW The guided transaction is ready for the next operating checkpoint. Confirm the next owner and move the record through the guided workflow. OWNER: Alex Morgan DUE: Before delivery DECISION: Desk Started OPEN	A7 ENX-2847

05

FUNDING AND TITLE WATCH

NW | -

Two delivered transactions are approaching the internal funding follow-up threshold.

Confirm which department owns each follow-up and the next verification time.

OWNER: Controller Queue

DUE: Today - Noon

DECISION: Confirm follow-up
